6 Seater Highrider Golf Cart

ESTATE 6 HIGHRIDER...

Combining elevated ground clearance with a generous seating capacity, the Eagle Estate 6 Highrider delivers powerful performance and premium comfort for transporting larger groups—yet still agile enough for estates, lodges, event venues, and more.

Key Features & Benefits

- Six-Seater Comfort with Elevated Clearance
  Built to carry six passengers comfortably, this model features a raised chassis that easily navigates rough paths, grass, and gravel surfaces—perfect for varied terrains.

- Advanced 72 V Lithium-Ion Power
  Powered by the Eagle range's signature 72 V lithium-ion battery system, it ensures extended operating range, faster charging times, and reduced maintenance compared to traditional systems.

- Dependable Safety & Storage Features
  Standard across the Eagle lineup are electromagnetic brakes, thoughtfully placed storage behind the rear seats, dual sand bottles, ball-and-water holders, split windshields, and built-in cooler boxes—practical touches that elevate every ride.

- Premium Customization Options
  Enhance both style and functionality with optional aluminum wheels for added resilience and sleek looks, or golf bag holders to suit courses and leisure settings.

Who It's For

- Resorts, lodges, game farms, and estates needing smooth, rugged, group-friendly mobility.

- Event venues and tourist destinations with uneven pathways or mixed terrain.

- Properties focused on guest transport or guided tours that demand versatility and comfort.
